# ASX Announcement

22 July 2016

## Company Update

Further to MHM Metals Limited's (**MHM** or the **Company**) (ASX: MHM) announcement of 19 July 2016 the Company advises that it is currently advancing a number of opportunities it has identified in the resource sector where its balance sheet and management experience can be applied to add value to the benefit of MHM shareholders.

Trading in MHM shares will remain suspended until such time as the Company is able to demonstrate that it has a sufficient level of activities to warrant the continued quotation of the Company's shares on ASX (which may require the Company having to re-comply with Chapters 1 and 2 of the ASX Listing Rules).
