### Request for Trading Halt

Dear Ms Harris

MHM Metals Limited (“the **Company**”) requests a trading halt be granted by the Australian Securities Exchange with respect to the Company’s securities. As discussed, the trading halt is necessary to allow the Board of MHM an opportunity to consider the likely impact on the position and prospects of the Company of today’s announcement by Alcoa Inc. as to the permanent closure of its Point Henry Aluminium smelter and two Australian rolling mills.

I request that the trading halt remain in place until the earlier of commencement of trading on Thursday 20 February 2014, or the time that the Company makes an announcement about the likely impact of the Alcoa Inc. announcement.

In requesting the trading halt, the Company provides the following information pursuant to Listing Rule 17.1:

- The trading halt is necessary as otherwise trading in MHM shares would continue on an uninformed basis;
- The Company is not aware of any reason why the trading halt should not be granted; and
- The Company is not aware of any other information necessary to inform the market about the trading halt.

Regards,
